# GOLD PARTNER

presented to

---

Sea Rescue is run by over one thousand unpaid men and women around the country who volunteer their time as rescue crew. They frequently head out in foul conditions, risking their own lives, to save others. Their efforts would be futile without the commitment and generosity of our loyal sponsors who fund our operations.

Sea Rescue is honoured to have partners who play an integral role in equipping Sea Rescue to help those in peril.

Dr Cleeve Robertson  
Chief Executive Officer
