

GOLD PARTNERSHIP

presented to

Marine Solutions (Pty) Ltd

Sea Rescue is run by over one thousand unpaid men and women around the country who volunteer their time as rescue crew. They frequently head out in foul conditions, risking their own lives, to save others. Their efforts would be futile without the commitment and generosity of our loyal sponsors who fund our operations.

We are honoured to have partners who play an integral role in equipping us to help those in peril.

A handwritten signature in black ink that reads 'Cleeve Robertson'.
