#### **Terms and Conditions**

The holder of this certificate is an IMCA Member. As such it is not an agent of IMCA. It is an independent provider of training services for which it alone is responsible.

This certificate is issued to certify that the course named above has been assessed by IMCA as meeting IMCA's required standards. It does not confer any approval on other courses or services, nor the training provider more generally. This approval is subject to the training provider maintaining its system to the required standards and is only valid while the bearer holds IMCA Membership in the required category.

IMCA reserves the right to review, suspend and/or permanently withdraw certification at any time, whether for failure to meet IMCA's required standards or otherwise.

Full details on IMCA approval of certain training courses are available at:
